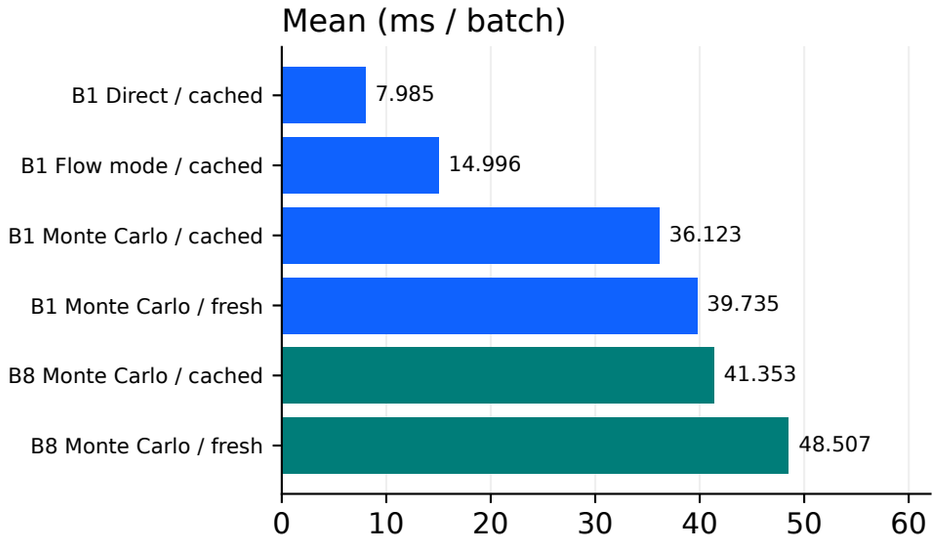
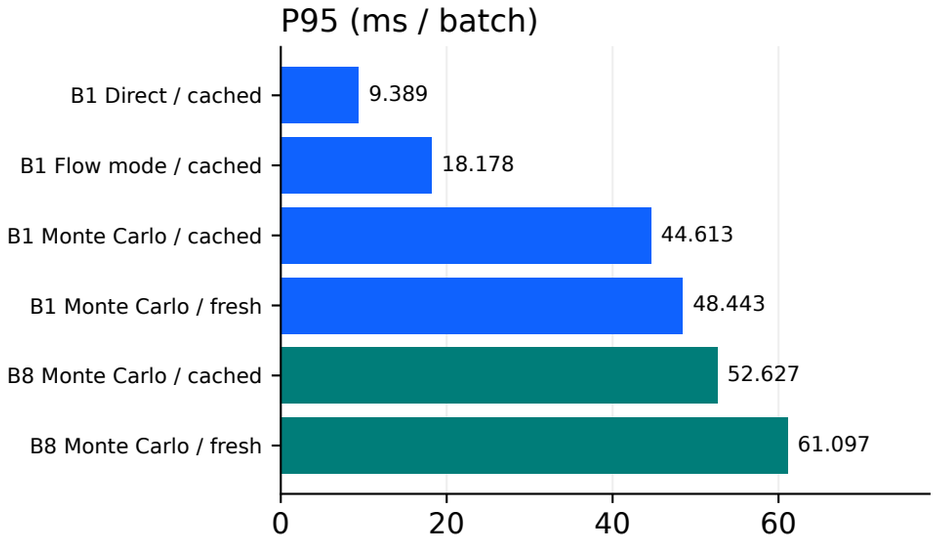
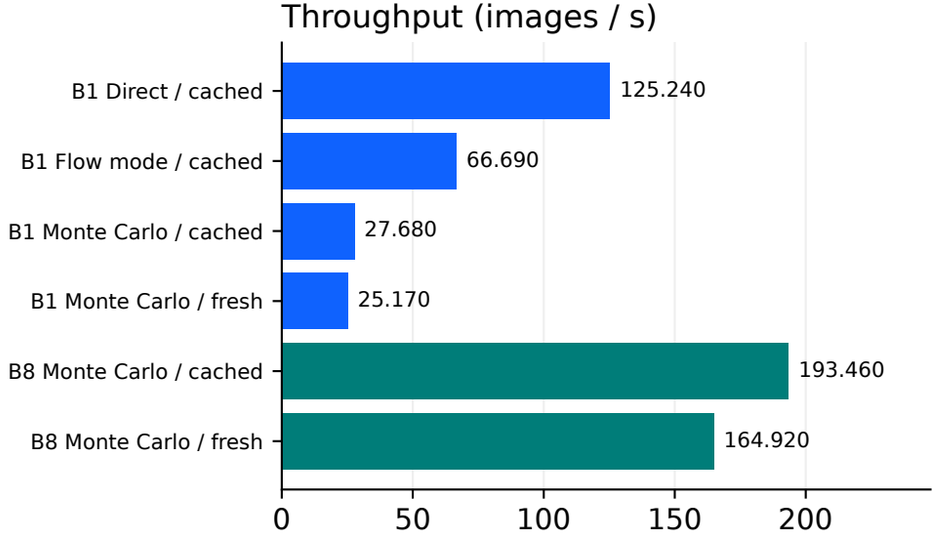
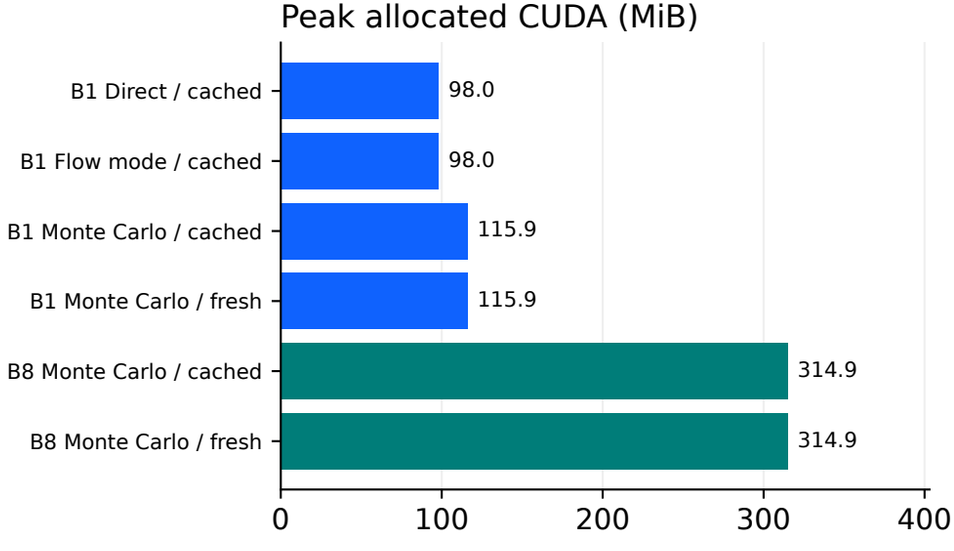
GPU inference: RTX 4060 Laptop









Source: report §3.7. 256² RGB; history 8; MC 256; 5 outputs. Warm-up 3, repetitions 10.
GPU-resident inputs; historical z cached in every row. Excludes I/O, transfers, loading, metrics and spherical search.
P95 is a small-sample estimate. Allocated CUDA memory is not total process VRAM.
